# Welcome to WTLN *FaithTalk!*

I am thrilled to have been called upon to be the new General Manager of 950 WTLN. My wife and two sons officially moved to the area from Southern Indiana in August. Our two college-aged daughters, now have another reason to come home to visit—sunny Florida! We have been truly blessed with an awesome welcome by the terrific staff at Salem Orlando and by the community.

You may have noticed with this issue of *FaithTalk* that we have changed our look! Our vision moving forward is to open the 950 WTLN “door” a little wider, to welcome new and younger Christians who are interested in a deeper relationship with Jesus Christ. So we have a new logo and a brighter and fresher sound that we hope you really like. We know that if Christians wanting more than just music tune in to 950 WTLN, they will love the messages coming from our national and local pastors. Every day we hear about more and more listeners who connect to WTLN through wtlm.com! Times are changing!

In addition to being my first, this issue of *FaithTalk* holds a special place in my heart, as within these pages we announce the launch of ChurchSearchOrlando.com. I came to Central Florida ahead of my family and right away found out how difficult it was to find the right church. This challenge was a big contributor to the idea of creating ChurchSearchOrlando.com. We hope you will go to ChurchSearchOrlando.com and activate your church soon!

Our Fall focus for *FaithTalk* is non-profit organizations and ministries headquartered here in Central Florida. We are blessed to have so many of these fine organizations that call Greater Orlando “home.” We hope you enjoy the articles within and pray that you will support and spread the word for these very important ministries.

Many Blessings,

# A Tour Unlike Any Other—It's All About Jesus

By Matt Bendell

What comes to mind when you think of central Florida? You might say Disney characters, thrilling rides and family vacations. But is there more?

Whether you're a tourist or a long-time Orlando resident, a unique experience awaits you at The JESUS Film studio tour. You and your whole family will enjoy this educational, interactive, fun adventure.

Located in beautiful southeast Orlando, just minutes from the international airport and close to all the major attractions, you'll find the Campus Crusade for Christ International headquarters and The JESUS Film Project®.

The JESUS Film Project shows and distributes the film *JESUS*, a compelling docudrama about the life of Christ, based on the Gospel of Luke. Shown in every country and translated into more than 1,100 languages, *JESUS* was initially released in 1979. Since then, the film has been viewed more than 6 billion times.

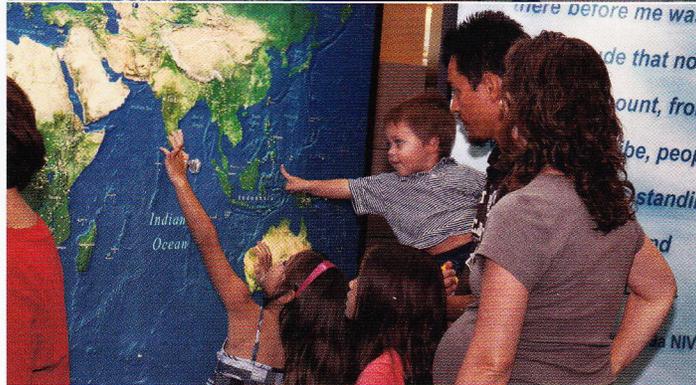

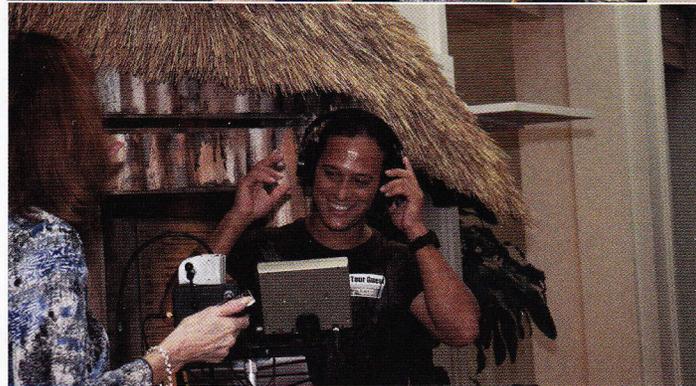

After film showings, teams conduct follow-up meetings that often develop into new churches. Since 2007, more than 9,000 new churches have been planted using *JESUS*. Also, more than 200 million people have indicated they

received Christ as Savior—and the number continues to grow.

In addition to the original *JESUS* film, new adaptations help reach specific groups of people. One of these, *Magdalena: Through Her Eyes*, depicts Jesus' compassion toward women, as seen through the eyes of Mary Magdalene. This film shows how Jesus values women by focusing on historical accounts of His interactions with four biblical women. It ministers to the hearts of abused and marginalized women worldwide. Viewings take place in "women's prisons, centers for abused women, Bible studies, churches, neighborhood outreaches, and others," says tour guide Chris Palmer.

Added to all these aspects of ministry, The JESUS Film Project offers an educational, interactive and fun learning opportunity. During the past 15 years, more than 80,000 visitors—tourists, church and youth groups, school classes, Bible study groups, families, etc.—have participated in The JESUS Film studio tour.

An interactive demonstration draws you into the typical language-dubbing process, as a volunteer dubs his or her voice into the film. You will view footage of a remote people group hearing the gospel in their

Tour space is always available, so plan your visit soon! The 45-minute tours take place three times daily, 10:30 a.m., 1:30 p.m., and 3:00 p.m., Monday through Friday at Campus Crusade for Christ International headquarters, located off of Moss Park Road in Southeast Orlando. For directions or for more information about The JESUS Film Project, visit [www.jesusfilm.org](http://www.jesusfilm.org) or call (407) 826-2300.

heart language for the first time, explore short-term mission trip opportunities, learn how teams show the film, and so much more. There's never a dull moment during the 45-minute tour. According to Palmer, numerous people have shared how the *JESUS* film and the tour have encouraged them in their walks with Christ and motivated them to personally share their faith.

"What amazes me is that people see our ads or hear about us and—although they don't know anything about us—they come," says Palmer. "I ask them, 'What brought you

here when you didn't even know who we are?' They say, 'It's because it's about Jesus!'"

People who experience the tour also learn how to share the gospel with friends, co-workers and neighbors in a non-threatening way. One woman said she'd been praying for a way to reach out to her international neighbors—one who spoke Portuguese and another who spoke Mandarin. "She was so excited to learn that the *JESUS* DVD contains eight languages, and both were included on it!" ♦
